

PRODUCT SPECIFICATION DATA SHEET

Stevens EP™ Pipe Boots/Vent Gloves

General Description

Non-reinforced, premolded TPO for making terminations easily at vent stacks and similar pipe penetrations. The conical shaped steps provide a secure seal around the pipe and the large, thick molded ribs at the top of each step offers superior tear resistance and reinforcement as well as a cutting guide. Materials are available in white and light slate

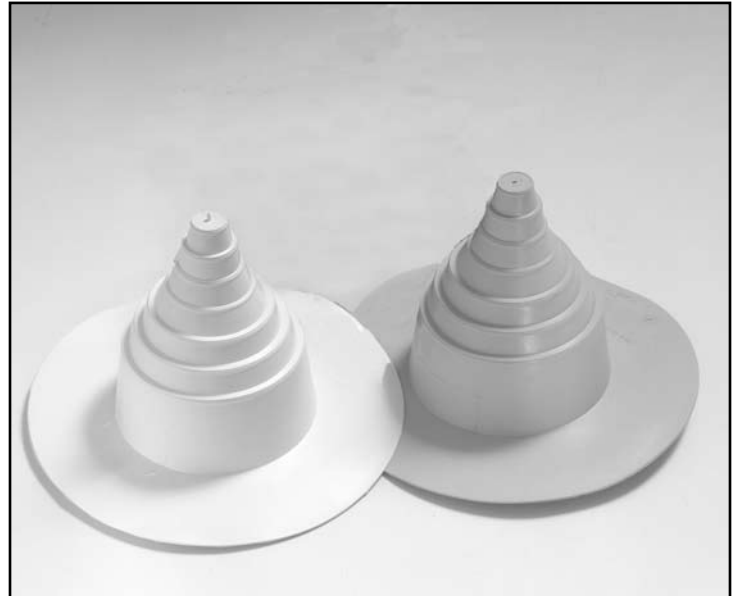

Technical

Colors: White and Light Slate Gray

Sizes: The pipe boots are sized to flash 1 to 6-in. (25.4 to 150 mm) pipe penetrations.

Packaging* & Storage

Stevens EP™ Pipe Boots/Vent Gloves are packaged eight (8) per carton, and each carton weighs 7 lbs. (3.2 kg) (gross). Materials should be stored in a cool, dry location with protective packaging intact.

Precautions

Do not remove or damage protective packaging until ready to use.

Note:

The Material Safety Data Sheet (MSDS) for this product is available on line at www.stevensroofing.com or the Stevens Technical Manual CD-Rom.
